ABOUT ME

Hello!

I am Sergey, a beginner web-programmer (Front End), I am looking for a job or an internship in a relevant field, even on a voluntary basis, in order to gain experience.

I know HTML, CSS/SCSS, Bootstrap(basic), Java Script(ES6+), React, Redux, Git/GitHub.

I am currently studying Type Script.

My knowledge of languages: Armenian(good), Russian(good), English(sufficient).

I also know Adobe Photoshop, Adobe Lightroom, MS Office programs.

Other skills: logical thinking, ability to learn quickly, analytical skills.

I will be grateful if you offer suitable positions.
